

Lake Superior Projects

Lake Superior Projects is a division of Computer Resources Inc.

We operate the following fine websites serving the Lake Superior Region:

Lake Superior Webcams: Provides people surfing the web an opportunity to see your community in real time on the Internet. They can move the camera around including panning and zooming the camera.
<http://lakesuperiorwebcams.com/>

Lake Superior Store: Provides unique Aboriginal art work, Great Lakes Books, top of the line fishing and outdoor gear for your Eco-tourism activities at the best prices delivered right to your door. Over 3,750 items available.
<http://lakesuperiorstore.com/store/shop/listcats.asp>

Lake Superior Art Gallery: The gallery role is to display visual art from around Lake Superior with a primary goal to provide a venue for regional visual artists to display and sell their art work.

Pieces will also be available for sale to the international market though LakeSuperiorStore though which we have been selling art for over 5 years.

We are presently accepting applications from Regional Artists wishing to display and sell their work in our Gallery. If interested please contact us using this online form.

To increase the expose of our artists and authors we will be making our gallery available for rental to small select groups up to 50 people for meetings and dinners. <http://lakesuperiorartgallery.com/>

Lake Superior News: News and information for residents living around Lake Superior, and those interested in news of the Lake Superior Region. Up to-date news stories, weather, and a regional events calender. Please read our news feed [here](#).

Lake Superior ATV Motorcycle Snowmobile: Is a web site providing great prices on ATV, motorcycle and Snowmobile parts and accessories. You can visit the site at <http://Cheapbastard.ca>

Lake Superior Pets: Provides complete grooming care for your family's cat or dog along with a complete line of pet food and accessories. <http://lakesuperiorpets.com/>

Northern Ontario Region Portal: Provides visitors with a complete range of online information. Information for the people visiting Northern Ontario, for companies looking for Economic Development information and a list of Federal and Provincial Government Ministries and Departments that service Northern Ontario. This Web Portal provides links and information from the public domain about the Northern Ontario Region. If your organization wish to be add, or if the information need to be updated please contact us. <http://northernontarioregion.ca/default.asp?timer=on>

According to JP Fraser, Computer Resources Inc. was form in 1996. Their first website was SuperiorNet.net. Later LakeSuperior.ws, and Shuniah.com were added to the website stable.

In early 2000, LakeSuperiorStore.com, and FishingCanada.ws, were added. In 2005 LakeSuperiorOutdoors.com, and GPSTours.ca joined. , NorthernOntarioRegion.com and Cheapbastard.ca came on line in 2006.

LakeSuperiorNews come on stream in late 2007.

LakeSuperiorStore.com, and FishingCanada.ws, sell online camping, fishing, and outdoor gear for your Eco-tourism activities.

There are many speciality items only available from the Great Lakes Region, from Amethyst Inukshuk, to paintings and books from regional authors and artists.
